HOMEWORK [2025]
Class - Pre Nursery

HELLO SUMMER

The sun is shining oh so bright,
The sky is blue, the clouds are light.
We wear our hats and shades so cool,
And splash around in the swimming pool!

Dear Parents,
Let's make this summer bright and joyful for our little ones!

We've prepared simple, fun-filled activities under the theme "My Colourful Summer" to help your child learn through play.

Enjoy this special time together and encourage your child to complete the activities with love and laughter.

We look forward to seeing their happy work after the break!

HAPPY HOLIDAYS

Holiday HOMEWORK [2025]
Class - Pre Nursery

BUILDING LIFE SKILLS

- Learn to walk, run and jump.
- Learn to eat food by yourself.
- Opening and closing of the lunchbox.
- Washing hands before and after meals.
- Learn buttoning and unbuttoning.
- Memorise emergency numbers.
- Learn to hang school bags.

LEARNING BEYOND BOOKS

- Learn to listen to your elders.
- Learn to greet your elders with a smile.
- Use magical words- PLEASE, SORRY, THANK YOU, EXCUSE ME '.
- Learn to help others.
- Learn to accept your mistakes.
- Share things with your friends. Learn to throw waste in the dustbin.

Gross Motor Skills Development

Help your child strengthen their muscles and coordination with these fun indoor and outdoor activities!

Indoor Gross Motor Activities

These activities need only a little floor space but offer big benefits!

!Muscle Movement:
Encourage movement in small spaces. No need for much room!
!Dancing:
Let children dance freely or follow movement-based songs like:
"I Am Special," "Head, Shoulders, Knees and Toes," "I'm a Little Teapot," "The Wheels on the Bus," or "Popcorn."
!Hopping:
Create fun jumping targets using masking tape or cardboard to hop from place to place.

Outdoor Gross Motor Activities

With more space outdoors, kids can move freely and build strength through active play.

!Riding:
Let children ride tricycles, scooters, or other ride-on toys.
!Playground Fun:
Swings, slides, ladders, and open running spaces let kids stretch their legs and play with friends.
!Walking Adventures:
Take a walk in the park or neighbourhood. Make it fun by adding marching, skipping, hopping, or jogging.

Holiday HOMEWORK [2025]
Class - Pre Nursery

Fine Motor Skills Development

Children at this age are developing important fine motor skills-essential for tasks like holding a pencil,using scissors, feeding themselves,and more.

These activities help strengthen the small muscles in their fingers and hands:

!Colouring and tracing with crayons, pencils, or markers

!Cutting using safety scissors

!Fingerplays like "The Itsy Bitsy Spider" that involve finger and hand movements

!Lacing cards or stringing beads for coordination

!Manipulative toys such as blocks, puzzles, or stacking games

!Puppet shows that encourage hand control

!Sand play – pouring, scooping, sifting, and building

!Creative art using sidewalk chalk, finger painting, or clay modelling.

ENGLISH

Letter Craft Fun-Standing & Sleeping Line Letters

Instructions for the Activity:

Choose any 2 letters from E, F, H, I, L, T and X made using standing and sleeping lines only.

For Example: I and F, I is for Insect, F is for Fish

Make a craft of each object using your chosen letters as the base shape. Use materials like: Colour paper Crayons or markers Foil paper Cotton balls Googly eyes Glue and safety scissors

Example Crafts:

I – Insect Craft

Cut out a big I shape from coloured paper . Paste 6 paper legs, antennae, and wings. Add googly eyes and a smile to make it look like a cute insect!

x

F – Fish Craft

Cut out a big F from thick paper. Stick foil paper scales on the F. Add a tail fin, eye, and draw a mouth to complete your shiny fish!

Class - Pre Nursery

Dress-Up Fun:

Let your little one wear a different coloured outfit each day and learn to name the colour. Don't forget to capture the moment with a cute photo of your colourful star! 🌈📸

Handprint Rainbow:

Dip your child's hand in different poster colours and press them on paper to create a vibrant rainbow of handprints. A fun, messy, and memorable activity to frame and cherish! 🎨🖐️

🎵🎨 Colour Song 🎵

Red, red, what do you see?
I see an apple jumping with glee! 🍎

Blue, blue, what do you see?
I see the sky smiling at me! ☁️

Yellow, yellow, what do you see?
I see the sun shining on me! 🌞

Green, green, what do you see?
I see the leaves dancing on the tree! 🌿

Colours, colours all around,
In the sky and on the ground.

So many colours, bright and true,
Red and green, yellow and blue! 🌈

Holiday HOMEWORK [2025]
Class - Pre Nursery

MATHS

1) Finger Painting Shapes

To learn shapes and enjoy colour play. Draw large outlines of basic shapes (circle, square, triangle, and rectangle) on a sheet of paper. Encourage the child to use finger paints to fill in each shape with different colours, promoting shape recognition while enjoying the sensory experience of colour play.

2) Colour & Count Ballons🌈

This activity is designed to help children learn colour recognition and practice counting in a fun, hands-on way using colourful balloons. To begin, blow up balloons in different colours such as red, blue, yellow, and green. Spread them around the room or place them together in a basket or tub. Encourage your child to observe and identify balloons of specific colours. Ask questions like, "How many red balloons can you find?", "Can you count the blue ones?", As children search, count, and compare, they build important early math and observation skills playfully and engagingly.

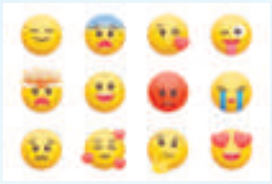
EVS

1. Emoji Faces – Understanding Emotions

This activity helps children recognize and name basic emotions like happy, sad, angry, surprised, and scared. Draw or paste emoji faces on paper using drawings, printouts, or magazine cutouts. Sit with your child, point to each face, and ask them to name the emotion. Encourage them to say it aloud and act it out. This simple activity builds emotional awareness and expression in a fun way.



2. Sunshine Craft – "Hello Mr.Sun !"

Children will make a sun by pasting orange or yellow strips around a yellow paper circle to create rays. They can draw a happy face and add sunglasses for a fun summer touch. While crafting, ask simple questions like "Is the sun hot or cold?" and "What do we wear in summer to protect ourselves from the sun?" This activity is a fun way to build creativity and seasonal awareness.

3. Special Activity: My Little Plant Friend

Children will plant fast-growing seeds like beans or sunflowers in small pots. They can name their plant and take care of it at home by watering it regularly. When school reopens, they'll bring their plant back and share how it has grown. This activity teaches responsibility and love for nature in a fun way.
